

Freedom to Grow

The Freedom to Grow Program will take place in 3 sessions:

May – Ruby Van Meter Schools and Polk County Youth Shelter

June – Autistic Camp with the Des Moines Public Schools SUCCESS Program

September – After School Program with Therapeutic Riding clients and Walnut Creek HS

Freedom to Grow is an innovative program that combines two groups of children: physically and mentally challenged children and at risk high school students. Freedom to Grow promotes the benefits of working with horses to build rewarding relationships, confidence, trust, team work, communication skills, and leadership skills.

Please give Debby Crowley or Deanne Mundt a call if you would like more information. We welcome visitors, have volunteer opportunities, and are looking forward to a rewarding experience for all.
